CEOs FORUM

Experience Breeds Expertise

Monday, 5th November 2012 Dubai, UAE

Speaker | **Panel 3: From Crisis Arises Critical Thinking**

Mr. Dilip Rahulan

CEO
Pacific Controls

Mr. Rahulan is the founder and Chairman of Pacific Controls, Headquartered in Dubai, Pacific Controls has pioneered and deployed smart city. A mechanical engineer from India, Mr. Rahulan started his career implementing some of the largest infrastructure projects in Africa. In the late 1990s he ventured into Dubai.

His vision extends to building the largest sustainable data center campus in the Middle East. He is today delivering the concept of "big data analytics" for real time business intelligence and management of global infrastructure, creating new benchmarks in cloud computing.
